With our winning combination of committed teachers, a contemporary curriculum and a wide range of creative ways for students to use English in the community, it's no surprise that FLS students finish our programs with new fluency and confidence!

Here are a few of the features that make FLS programs so effective:

- Our unique **English Everywhere** tools guide you through each week of our curriculum, with key vocabulary and idioms, conversations starters, songs and movies from American culture, and more.
- Our partnership with **Universal Placement Program** provides free college and university placement for students with FLS programs of 8 weeks or more.
- Our **Language Extension Day** activities each term introduce you to new aspects of American life, the local community and seasonal events.
- Our varied **activity program** takes you to historical, cultural and natural highlights of each campus area, letting you use English in the real world.
- Our **class readers**, specially chosen for each level, provide extensive, stimulating reading practice, and make you familiar with classic and contemporary American books.
- Our **qualified teachers** provide live instruction in every lesson. You won't pay for 'lessons' that are really independent study or computer lab time like at other schools.

Take a look at the many academic benefits detailed in this brochure. We're sure you'll agree that FLS is the best place for you to reach your English goals!

“I couldn't speak English well before I came here. But I can speak English now.”

IBT TOEFL Program

Our IBT TOEFL Preparation program gives students a critical advantage in taking the most commonly accepted proficiency exam at American institutions. Choose to study TOEFL along with 10 lessons per week of another subject, or devote all 30 lessons per week to TOEFL Preparation.

Includes core TOEFL class and one elective class per day.

The FLS Core Classes are the key:

FLS core classes are a major part of our Semi-Intensive, Intensive and Super Intensive Programs. Including 9 carefully organized levels, the core sequence is an integrated skills program that teaches speaking, listening, reading and writing together through a modern curriculum, teacher coaching and communicative activities. Our system simulates the way you learned your native language, through the natural use of all skills together. Our class sizes are always 15 students or fewer, giving you many chances to speak in class and work with your teacher. The daily core class of 6 lessons uses modern, colorful textbooks with fascinating topics, a classic or modern American reader and regular testing of your progress. Each class also includes English Everywhere Hot Sheets, with the key vocabulary, conversation starters and other important points of that week's curriculum. The core class levels move from beginning through superior, taking students from a foundational understanding of English grammar all the way to the proficiency required for success at an American college.

“I could practice my speaking in English thanks to the conversation class.”

– Valentina, Italy

Each elective will help you develop a specific element of your language skills.

Popular electives include:

- TOEFL Preparation
- American Culture
- English Composition
- Slang and Idiomatic Speech
- Public Speaking
- Business English
- Practical Grammar
- College Study Skills

Each elective class includes 2 lessons per day and use of the textbook. Every eight weeks, you'll be able to take a new elective and explore new areas of knowledge.

FLS continues to introduce innovative new electives, such as English Through Film and College Preparation: Intro to Sociology, to challenge and engage students.

English Everywhere

A unique part of the FLS program, English Everywhere centers around the Hot Sheet, a quick reference for all the key vocabulary, idioms, and structure covered in the classroom that week. Each Hot Sheet is centered on a different theme, with conversation starters, songs and movies that explore the theme in greater detail. The Hot Sheets

are more than just a reference for students. They're utilized by the entire FLS staff to engage students in conversations that include the key language points of the week. From our instructors, to our homestay families to our tour chaperones, everyone involved is helping the students learn.
